## SAMUEL BILLAUD

Samuel Billaud is one of Chablis' finest winemakers. For over twenty years he has been responsible for some of the best wines produced in Chablis. He established his own winery in 2009 and, in 2014, his estate was greatly extended when he recovered his share of the Domaine Billaud-Simon vines after the family estate was sold to Faiveley. He has now built a new winery in the centre of Chablis where he ferments the wines in a mixture of stainless steel vats, 456 and 500 litre oak demi-muids and 220L glass globes.

## DOMAINE SÉGUINOT-BORDET

Jean-François Bordet can trace his family's roots in Maligny back to 1590. The estate lies on the right bank of the river Serein, where the rich Kimmeridgian soils give the wines the minerality so typical of great Chablis. His unusual horizontal fermentation tanks give the wines more lees contact during maturation, adding to the complexity of this beautiful, pure, unoaked chardonnay.

## COURTAULT-MICHELET

This is an exciting new property run by the husband and wife team of Vincent and Stéphanie Michelet. Stéphanie is the daughter of Jean-Claude Courtault, head of one of the oldest vine-growing families in Chablis. The cellar and the majority of the 29 hectares of vines are in the village of Lignorelles, immediately to the north-west of the town of Chablis.

## DOMAINE DES QUATRE CHEMINS

Isabelle Gautheron has taken over the family domaine and started bottling the wine for the first time. Previously this fine, substantial estate sold the entire crop as grapes, juice or wine to the big Beaune *négociants*. With a splendid array of vineyards centred on Fontenay adjoining the grands crus, it is not surprising that Isabelle is quickly gaining a fine reputation for her carefully vinified range of wines. Her 2020s are beautiful examples of pure, crisp, unoaked Chardonnay.

## FAMILLE GUEGUEN

Céline and Frédéric Gueguen both come from winemaking families (Céline is the daughter of Jean-Marc Brocard) and established their 36 hectare estate in 2013. The Bourgogne vines are just outside the Chablis appellation in the village of Prény and produce a delicious, crisp unoaked chardonnay. Both this and their Chablis are vinified in their cellar in the village of La Chapelle-Vaupelteigne.

## DOMAINE ROY

The Roy family have been vigneron in the village of Fontenay, just to the north of Chablis, for over 200 years. Today Claude Roy, together with his daughter Karine and nephew David, farm 20 hectares of vines on the right bank of the River Serein. They are one of the largest owners of the grands crus. They have only recently begun to bottle a significant proportion of their harvest, having previously sold a majority in bulk to the négociants.

## DOMAINE MICHEL MAGNIEN

Frédéric Magnien is the fifth generation to run the 19 hectare family estate based in Morey Saint Denis. His father, Michel, started with 4 hectares in 1967 gaining an international reputation for his full-bodied, concentrated reds. Frédéric joined in 1993 and has gradually tempered the style, reducing the amount of new oak and producing wines with more aroma, fruit and elegance without losing the trademark Magnien depth and richness.

## FRÉDÉRIC MAGNIEN

## DOMAINE HERESZTYN-MAZZINI

Florence Heresztyn has taken over her share of the family domaine and, aided by her Champenois husband Simon Mazzini, makes a fine range of wines from her 5.5 hectares of vines. They retain a significant proportion of the stems during fermentation to give added aroma and structure. All the wines are aged in small oak barrels for 18 months, drink beautifully when young but have the richness and concentration to age magnificently.

## CHÂTEAU DE LABORDE

Hervé Kerlann bought Château de Laborde in 1998 and has since restored the estate and revived its tradition for winemaking. Today, the estate farms 9 hectares of vineyards principally in Gevrey-Chambertin. All grapes are vinified, aged and bottled by Hervé in his new winemaking facility which was built at Château de Laborde in 2016.

## DOMAINE JACQUES CACHEUX ET FILS

Patrice Cacheux has extended the cellar under his house on the route nationale in Vosne and is now less cramped for space. The domaine owns vines in a number of different climats, all of which are now vinified separately and make for a fascinating tasting. The estate's style remains one of rich, ripe fruit allied to a healthy dose of new oak, a formula with which Patrice's father, Jacques, made his name in the 1980s and 90s and which has stood the test of time.

Pascale Rion Delhaultal, the daughter of Daniel Rion, now runs her own 5 hectare estate with prime vineyards located in the heart of the Côte de Nuits. Based in Chambolle-Musigny, Pascale produces wines from several of Burgundy's finest sites, including a glittering array of premiers and grands crus. The wines are ripe, aromatic wines with soft tannins and rich, succulent fruit.

## AMBROISE

Bertrand and Martine Ambroise have handed over much of the day to day running of the estate to their children, François and Ludivine. The estate style is one of rich opulent whites and full-bodied, powerful reds that age spectacularly. Vinification is traditional; nearly all the pinot noir is destemmed, given an extended maceration of 15 to 25 days and aged for 12-18 months in a mixture of 400 litre and 228 litre barrels, a high proportion of which is renewed each year.

## DOMAINE LÉCHENEAUT

Vincent Lécheneaut and his son Jules farm this excellent 10 hectares of vineyards. Vinification is traditional with most of the fruit destemmed and given a five day cold maceration before fermentation in steel and cement vats at a maximum of 28°C. Ageing is in barrels from François Frères and Seguin-Moreau, whose fine-grained oak complements the wines. These are rich, elegant examples from the finest villages of the Côte de Nuits.

## DOMAINE HENRI GOUGES

Grégory and Antoine Gouges (great grandchildren of Henri) currently run this fine 14.5 hectare domaine and their modern cellar has enabled the wines to be vinified with less pumping than previously. The wines are racked later and the proportion of new oak has risen to over 20%. The wines are rich, concentrated yet fresh wines as you'd expect from one of the top domaines of the Côte de Nuits.

Purchased in 1996 by Bertrand Devillard, this estate is now run by his children Amaury and Aurore. Following the retirement of Robert Vernizeau who had worked for the Devillards for over 30 years, the wine making is now in the highly capable hands of Benjamin Rousot and oenologist Carole Briffox.

Nicolas and David Rossignol have now had the domaine officially certified as organic and biodynamic. With lower yields and less interventionist winemaking, quality has soared. The red wines are raked less often than before and bottled later (18 months after the harvest). Up to 50% new oak is used for the premiers and grands crus.

The Girards are one of the oldest winemaking families in the village of Savigny-Lès-Beaune and produce gloriously aromatic, fruity Savigny. Jean-Jacques and his son Vincent use a combination of modern and traditional techniques to produce wines of great purity and elegance. The reds are delicious, accessible wines which are fantastic for drinking when young but also have great potential for ageing. The whites have benefitted since the construction of a new winery in 2014 which allows them to be fermented in their own separate temperature controlled cellar.

### DOMAINE DE LA POUSSE D'OR

This 17.5 hectare estate has been owned by the Landanger family since 1997. In 2009, with the acquisition of Domaine Moine-Hudelot, they added a glittering array of premiers and grands crus in Chambolle-Musigny and Morey Saint Denis to the original holdings in Volnay. The entire estate is run biodynamically and Benoit has purchased additional 800 litre clay amphorae in which he ages part of the Volnay premiers crus.

## DOMAINE VINCENT LATOUR

Since taking over his father's estate in 1998, Vincent Latour's wines have been highly praised both in Burgundy and further afield. A new cellar has just been constructed which houses Vincent's interesting mix of oak casks. Delicious wines with excellent richness and minerality.

## DOMAINE PHILIPPE BOUZEREAU

There are five major domaines in Meursault belonging to different members of the extended Bouzereau family. Philippe together with his younger brother Charles have taken over from their father (also Philippe) and are making some of the finest examples of the appellation. All the wines are barrel fermented and aged for 12-18 months in 20% new oak casks in the cellars adjoining the Château de Citeaux in the centre of the village of Meursault. These are rich, intensely flavoured wines with great depth and concentration.

### DOMAINE VINCENT BOUZEREAU

Vincent and Aline Bouzereau have run this fine 10 hectare domaine centred on Meursault since 1990 when Vincent took over from his father Pierre. Their vineyards, which stretch from Puligny-Montrachet to Aloxe-Corton, are planted with the domaine's own massal selections and farmed traditionally without the use of chemical insecticides or weedkillers. The wine making is also as natural as possible: hand harvesting, fermentation with indigenous yeasts and the minimum of racking before bottling with only the lightest fining and filtration between 12 and 18 months after the harvest. Produced from two plots within the commune of Meursault, the domaine's Bourgogne Côte d'Or Chardonnay is the match of many a Meursault and brilliant value for money.

### DOMAINE MICHEL BOUZEREAU ET FILS

Jean-Baptiste took over from his father Michel in the 1990s and has now installed himself in a brand new cellar next to his house in the centre of Meursault. Like many domaines, Jean-Baptiste is now bottling later than in the past, giving many of the wines fifteen to eighteen months ageing in cask rather than twelve. This is now one of the appellation's top domaines.

### DOMAINE GUY BOCARD

Guy Bocard retired from the eponymous Meursault estate in 2018 and the domaine is now owned by the Derichebourg family. The winemaking remains in the highly capable hands of René Mora who barrel ferments all the wines of this fine property that extends over 5.8 hectares of many of the finest Meursault *climats*, including Charmes and the premier cru Genevrières. The cellar is currently being modernised and extended, and with the substantial sums being invested the future is exceedingly bright.

This is a splendid source of ripe, fruity Puligny, delicious relatively early but with the balance to age well in the medium term.

## DOMAINE ALAIN CHAVY

Alain Chavy and his son Corentin run this splendid Puligny domaine, created in 2003 when Alain and his brother Jean-Louis went their separate ways. All the wines are fermented and aged for twelve months in barrel followed by six months in stainless steel vats in one of the few underground cellars in Puligny. Alain prefers crisp, mineral wines with pure fruit flavours and less obvious oak.

All the wines are barrel-fermented in 20-35% new oak and aged for twelve months in cask followed by six months in stainless steel vats. ### DOMAINE VINCENT & FRANCOIS JOUARD

Brothers Vincent and François Jouard, alongside François' son Pierre-Henri, are the fifth and sixth generations to run the 11 hectare family domaine, but the first to bottle the wines themselves. Situated in the heart of the village of Chassagne, the domaine is blessed with a fine array of premiers and grands crus. Aged in 25%-35% new French oak barrels for twelve months followed by three months in stainless steel vats before bottling with only the lightest of fining and filtration, the wines are elegant and restrained but with great depth and concentration.

### DOMAINE GÉRARD THOMAS ET FILLES

Gérard Thomas is supported by his daughters Anne and Isabelle at their small estate in Saint Aubin, immediately behind Puligny and Chassagne-Montrachet. Saint Aubin offers some of the best value in the Côte de Beaune: aromatic, oaky wines in the same style as their better known neighbours with great freshness and good balancing acidity.

### DOMAINE CAPUANO-FERRERI

This fine, 8 hectare estate with extensive holdings in both Chassagne and Santenay is impeccably run by John Capuano who augments the domaine's own production by buying grapes on long term contracts from the owners of a further 12 hectares. The wines are vinified in the magnificent cellars in the centre of Santenay and, until recently, over two thirds of the production was sold in France. The wines are ripe and generous, well-balanced and harmonious with just the right amount of new oak.

## DOMAINE FRANCK LAMARGUE

Franck Lamargue has been running this 12 hectare domaine based in the village of Le Rochepot, just over the hill from Saint Aubin, since 2005. The vineyards are worked organically and the grapes harvested by hand. A combination of new and old oak is used to vinify a range of generous whites and reds that offer tremendous value for money from some of the lesser-known villages of the southern Côte de Beaune.

### DOMAINE CLAUDIE JOBARD

Claudie Jobard's father, Roger, developed this estate in the 1970s, buying and planting land in Rully. Most of the vines date from this period and are now over 40 years old and producing glorious wine. As well as making top class Rully (and Pommard from her mother's side), Claudie not only continues the Jobard nursery business supplying grafted vines to growers but also, as a qualified oenologist, makes the wine for Remoissenet, the *négociant* based in Beaune.

One of the very finest family domaines in Givry, Domaine Ragot has been run by Nicolas Ragot since 2008. He has taken the estate to new heights, extending the vineyards, constructing a new vat house and eliminating the use of chemical herbicides. The vineyards extend over 9 hectares of which 70% are red. Wine making is traditional; all the fruit is destemmed before fermentation in stainless steel vats followed by twelve months ageing in small French oak barrels from the *tonnelleries* Taransaud and Hermitage.

## DOMAINE SAUMAIZE-MICHELIN

Saumaize-Michelin is a 9.5 hectare domaine based in Vergisson, in the heart of the Pouilly-Fuissé appellation. Owned by Roger and Christine Saumaize, the estate has been fully biodynamic since 2005. The vines are now naturally lower-yielding and disease-resistant, 40-45 years old on average and are planted in a patchwork of marl resting on limestone subsoil, resulting in wines with increased complexity. The wines are fermented in 20% new oak barrels using only indigenous yeasts.

## DOMAINE NICOLAS MAILLET

Situated in the small village of Verzé in the southern Mâconnais, Nicolas Maillet is the fourth generation to run this 7 hectare estate. The domaine previously sold the entire crop to the local cooperative, but when Nicolas took over from his father in 1999, he returned to the family's early tradition of estate bottled wines. The estate practises biodynamic viticulture and has been certified organic since 2011. The Mâcon-Verzé comes from vines with an easterly exposure and is vinified in stainless steel vats to preserve the maximum of freshness.

## DOMAINE DES NUGUES

This esteemed domaine is based in the village of Lancié and comprises 37 hectares of vines in the northern Beaujolais. Gilles Gelin is the fifth generation of the family to make the wine and, since he took over fully from his father in 2010, the wines have gone from strength to strength. Vinification is both traditional and flexible. All the fruit is harvested by hand and a proportion of the bunches are destemmed before being fermented uncrushed in stainless steel vats at a relatively cool temperature. Maceration lasts between 10 and 20 days with a daily pumping over. The wine is then aged for 9-12 months in stainless steel before bottling.

## DOMAINE DU TUNNEL

Domaine du Tunnel in Saint Péray started making wine from rented vines in 1994 when Stéphane Robert was just 24, and has now grown to 10 hectares across 3 appellations: Cornas, Saint Joseph and Saint Péray. The wines Stéphane produces show wonderful ripeness, deep, round fruits and beautiful smooth texture. Not a fan of new oak, Stéphane uses older barrels which give finesse without overpowering the fruit.

## DOMAINE PIERRE & JÉRÔME COURSODON

Pierre's son, Jérôme, has taken this famous estate to new heights. Lower yields, later picking and 100% de-stemming have contributed to richer, more succulent wines and purer fruit flavours. The terraced vineyards are largely south-east facing on schist and granite and are hand harvested. The Saint Joseph develops complexity with age giving notes of violets, raspberry and cassis. L'Oliveaie is a cuvée from selected 50-60 year old vines.

## DOMAINE YANN CHAVE

Yann Chave's domaine is certified organic across its 20 hectares. Le Rouvre is a plot selection from the Chassis area located within Pont de l'Isère where the domaine has its oldest vines (over 50 years old). Yann's emphasis is on ripeness and finesse with grapes being harvested by hand as late as possible. He uses large 600 litre casks (100% new for Hermitage and 50% for Le Rouvre) to give a delicate oak character to the wines.

## DOMAINE LA BOUÏSSIÈRE

Domaine la Bouïssière is run by brothers Thierry and Gilles Faravel. The family has been farming the 30-50 year old low-yielding vineyards organically since the late 1980s. Nine hectares of vines are situated at the base of the famous Dentelles de Montmirail, making them some of the highest vineyards in Gigondas. This elevation permits a long growing season, adding elegance and freshness to the wines. Les Amis de la Bouïssière is an unusual yet successful blend of Merlot, Syrah and Caladoc from a plot planted by Thierry next to the River Ouvèze.

## DOMAINE BOSQUET DES PAPES

The Boiron family have been making wine in Châteauneuf-du-Pape since 1860. Nicolas Boiron is now in charge of the estate that covers 32 hectares spread across 40 different parcels. The average age of the vines is a venerable 50 years. Nicolas likes to vinify with a high proportion of whole bunches, allowing him to extend the fermentation resulting in finer balance and complexity. These are some of the most characterful wines of Châteauneuf with masses of spicy fruit on both nose and palate, rich, generous textures and long, persistent finishes.

## CHAMPAGNE TARLANT

The brother and sister team Benoît and Melanie Tarlant are the latest generation to run one of the most dynamic and forward-looking estates in Champagne. Based in Oeuilly in the Vallée de la Marne since at least 1687, the Tarlants produce top-quality, organically farmed Pinot Noir, Pinot Meunier and Chardonnay from which they fashion an impressive range of characterful champagnes. They are amongst the few Champagne growers who (alongside Krug and Bollinger) still ferment their base wines in barrel, block the malolactic fermentation in order to give greater ageing potential and believe in ageing their wines for far longer than the legal minimum.

This fine, family-run, 11 hectare domaine is situated on the right bank of the River Marne on the south-facing slopes of the commune of Trélou. The estate was created in 1910, and is now run by the fourth generation; brothers Bertrand and Julien Olivier. They believe in crisp, fresh, fruity champagnes with complexity and character arising from extended ageing on the lees prior to disgorgement. Their expertly crafted cuvée 'Origine' is a blend of all three grape varieties (Pinot Meunier, Pinot Noir and Chardonnay) and has a fine balance of fruit and minerality.
